Dr. Cupino ended up going to him for
major back pain. He gave me 3 shots for the pain
Didn't touch it. He told me to go to the
emergency room. I ended up going to Community
Memorial Hospital. Oconto Falls, WI. where I
was hospitalized for 4 days. On Feb. 21, 2007.
The next day they did MRI. Found out I had
3 bulging disc. and something pushing on the nerve root

I already was on about 13 different medications.
One in which was Percocet. For my ankle.

All total He had me on 20 sum different meds.

From morphine. 2 mg every 15 mins to 4 mg every

half hour. I'm lucky to be alive. When being

released from hospital Nurse ^(Laura) gave me 2 prescriptions.
one for Oxycontin 20mg an one for Roxicodone 5mg.

An Nurse / Laura gave me the rest of Medrol Dosepak
in which is corticosteroid. In which can lower your
blood sugar count.

The nurse Laura said after ^I reading reports a year later that I had unexplained anger an aggression.

1. Should of been a red flag light there. that all the meds I was on wasn't agreeing with me.

Make it short + to the point. About 9 days later I had a run in with the law. Cost me around 20,000, 3 ~~lawyers~~ lawyers. In which I will be filing that case at a later date. Cause everything they did to me was illegal.

To the reader do take it in to consideration. that I'am disabled. an on top of it I have MS now. Its even hard for me to file this as I'am sick an I n pain. An the stress of it is the worst thing for MS.
